A wonderful apartment of 139 m2, located on the 4th floor of a building from the middle of the last century, facing southwest.

This is a spacious and bright apartment, completely renovated, furnished and decorated with design, quality and good taste. Ready to move in.

It has a hall from which we enter the living area of the house, with a built-in kitchen with an island, modern and cozy, designer, furnished with beige furniture, porcelain countertop and all the appliances of leading brands.

A large dining room with access to a terrace with open views of the Parque del Oeste and a beautiful living room. The private part of the apartment is accessed through a hallway: first a room with built-in closets that opens onto a large open courtyard with views of the Moncloa lighthouse, and then a first full bathroom that serves 2 bedrooms.

Along this hallway is a laundry room with built-in closets. Behind the laundry room is the second

bedroom, also with built-in closets and an open view, like the first bedroom.

Finally, at the end of the hallway we find the master bedroom with a dressing room with built-in closets and a bathroom. All areas of the house, including the bathrooms, have natural ventilation, as the windows overlook the street.
