Descripción:

We are delighted to offer the remaining one Three bedroom Townhouse under construction with completion scheduled for September October 2025

Combining the traditional style with the modern, this beautiful mid link townhouse in a quiet and central location, with quick and easy access to the road network that connects the Algarve, is an excellent opportunity to acquire your quality home in the Algarve.

The villa offers large and airy areas.

On the ground floor, open space kitchen, living and dining areas , one bedroom with private bathroom, closet and social bathroom.

It is on this level there is also a covered terrace with barbecue area where you can enjoy your family meals and contemplate the garden and pool area while enjoying the mild climate of the region

On the first floor we find 2 large bedrooms, with views over the garden, a family bathroom and a spacious terrace.

The private garage has direct access to the inside of the villa that which also offers underfloor heating throughout the house through hydraulic system.

A magnificent opportunity in the heart of the Algarve - REF: VVP1990
