Detailed Description of the Complex

In a unique location, right in front of Vasiliki beach, a destination is being built that combines luxury, comfort, and natural beauty. The complex consists of 28 high-aesthetic apartments, designed to offer a unique living experience by the waves.

It consists of four independent buildings, each of which includes seven carefully designed apartments. The architectural design and functional layout meet the demands even of the most discerning buyers. Each residence has an unobstructed sea view, while the spacious terraces and private balconies serve as the ideal place for relaxation and entertainment.

The residences are available in options ranging from 1 to 4 bedrooms, covering different needs and preferences. All are fully furnished and equipped, ready to meet every need. Additionally, each complex features a communal swimming pool, beautifully landscaped gardens, and private parking spaces.

Apartment prices start from €331,700, while some residences qualify for the Golden Visa, offering an excellent opportunity for those seeking permanent residence in Greece.

Vasiliki is one of the most popular seaside destinations, known for its beautiful sandy beach, its picturesque atmosphere, and its excellent entertainment and dining options. With easy access to shops, restaurants, cafes, pharmacies, and medical services, the location ensures a comfortable and pleasant stay. At the same time, it serves as an international attraction for water sports enthusiasts, offering unique windsurfing and sailing experiences.

This is an excellent choice for both a holiday home and investment exploitation. We offer a complete short-term rental management program, ensuring returns from 5% to 7.5% annually. Additionally, there is the possibility of recovering the VAT (24%) for buyers who choose to exploit the property through tourism leasing.

A unique opportunity that combines luxury, location, and investment value.
