### Descripción:

Doni grad, Jukićeva

Spacious four-room apartment of 95 m2 in the ground floor of a building built in 1940.

The apartment consists of an entrance hall, a kitchen with a dining room, 2 bathrooms, 2 toilets, 2 rooms and four bedrooms.

Due to its location, the apartment is very pleasant in both seasons. The attractiveness of the location is influenced by the exceptional proximity of public transport and schools, kindergartens and related facilities within easy reach of the building. The apartment is located a few minutes from the center of the city and is attractive as an investment due to its spaciousness. Due to the large street windows, the apartment is flooded with natural light. From the street side, the apartment is in the basement, while from the courtyard side, it is in the basement.
