KRALJEVICA - building land 2361m2 with sea view for a family house / villa / apartments / house for rent - holiday with swimming pool

The land is approx. 1431m2 in the construction zone, while the remaining approx. 900m2 is in the agricultural zone (it cannot be built on - it can be a yard, garden, orchard, tennis court, swimming pool or similar) The building plot has a view of the sea and a southern orientation. The configuration of the terrain is slightly downhill. The field is located in a quiet and peaceful position and right next to the paved road. All utilities to the field. Clean and tidy property. The future built property on this plot would have a view of the sea even from the ground floor, but from the first floor there would be a panoramic open view of the sea, the entire Kvarner Bay and the islands. This property is 740m from the sea as the crow flies, or 1.7km by car (about 4 minutes).
