#### Descripción:

In Dobropoljana, on the island of Pašman, surrounded by olive groves, vineyards and Mediterranean vegetation, there is a plot of land with an almost regular rectangular shape, with an area of 622 m2, which is ideal for building a beautiful family house with a beautiful garden and yard. The plot is located in the built-up part of the construction area of the settlement, is approximately 15 m wide and 41.5 m long, located on flat terrain, which greatly facilitates the preparation and start of construction. All necessary infrastructure is nearby.

This plot stands out with a beautiful view of the sea and the islands in the Pašman Channel, located only 200 m from the sea, whose shore is adorned with a long, well-maintained beach where you can refresh yourself, but also enjoy long walks breathing in the clean sea air.

Access to the plot is provided by a local road. Due to its exceptional location and nearby houses only on the southwest side of the plot, across the road, future owners of a villa or family house built on this site will have complete privacy and peace for relaxation and a break from the busy everyday life.
