Descripción:

In a beautiful quiet place Ždrelac on the island of Pašman for sale is a building plot of 1292 m2.

It has an irregular shape, 26 m wide in the front part, while it widens up to 38 m towards its end.

The length of the land is about 40 m. Due to its shape, the land is suitable for a family house with a large garden or apartment building.

It is located in an environment of Mediterranean vegetation and several family houses, and all available infrastructure is located in the immediate vicinity of this land.

Preliminary design was made for the construction of a family house with two residential units (ground

floor of 166.34 m2, first floor of 163.12 m2).
