The apartment has a main living room, illuminated by a balcony overlooking the valley, along with a second independent living room. Finally, a practical kitchenette and two dining rooms complete the living area.

The offer includes 3 private cellars in the basement, connected by a practical shared driveway that facilitates access even possibly to bicycles.

As a whole, visiting the apartment, you will immediately notice the quality of the decorations on the walls and floors, which preserve many original elements and give an authentic Tuscan atmosphere.

The same goes for some details present in the objects of daily use, such as the food warmer in one of the radiators and the compartment on the door of the kitchen, handed down from ancient tradition until today.
