fireplace. The living space also includes a spacious master bedroom with its own private bathroom.

The best part is the view. From up here, you get a stunning, wide-open look at the peaceful Valle di Chio and the huge Val di Chiana, with the impressive Castello di Montecchio right in the distance. All that light fills every room, making the place feel warm and airy. The inside has been carefully restored and looks great. You'll love the stylish touches like the exposed beams on the ceiling and the beautiful parquet floors that make the whole apartment feel so elegant.

Two cellars in the basement are included in the offer, which are easy to get to from both the stairs inside and a separate side door. They're perfect for storing your bikes or scooters.

This home will be available starting May 2026.
