Descripción:

4-storey 12th Century Country House in panoramic position with breathtaking views over the countryside.

The property is set in a unique position, along a bend of Burano river.

The property is divided into two units and various annexes.

The 4-storey main building measures 266 sq m and has been completely restored by keeping traditional features including cotto floors, exposed stone walls and wooden beams. The second building measures 82 sq m on two levels. It needs to be completed internally.

Smirra di Cagli is a small and cosy village with local grocery shops and a restaurant. A short drive (approx.5 km) will take you to Cagli, probably the most beautiful and historically the most important town in the area where there are good shopping facilities and restaurants.

The large town of Urbino is 30 minutes by car.
