Descripción:

In Campeglio, country house built on 2 levels which dates back to the 80's.

In Campeglio, country house built on 2 levels which dates back to the 80's.

The first floor comprises an apartment which can be reached from internal and external staircase and it is composed of large kitchen, dining room, living room with stone built fireplace, 4 bedrooms, 2 bathrooms and laundry room. The living room, the kitchen and one of the bedrooms lead to the panoramic terrace with view over the vineyard and the olive grove. The ground floor consists of bathroom, 2 large cellars and rooms for the olive oil conservation and which can also be used to produce wine.

Solar thermal unit on the roof for hot water, tool shed which can be renovated and converted into further living space.

The property is located in hilly position and the property owners currently produce 500 to 1000 kg of olive oil "Ronc dai Ulivars", while the vineyard produces "Pinot Grigio".
