### Descripción:

In the town of Lari, within the province of Pisa, is situated this beautiful 17th-century castle, which is currently up for sale. This castle is situated in an elevated position on Tuscan hills and sprawls over approximately 3,300 m<sup>2</sup>. Moreover, it is girdled by a centuries-old park extending over roughly 4,000 m<sup>2</sup> displaying carefully restored paths, two swimming pools with sunbathing areas, seldom plants and a snug private car park. The modern junior suites, situated in the modern part of the castle, still display original architectural traits such as frescoed ceilings and visible wooden beams. The bigger suites can host up to five rooms, possess an internal surface of 250 m<sup>2</sup>, and are ideal for stays surrounded by pure comfort. rif.4734 <https://www.lionard.com/enchanting-17th-century-castle-for-sale-in-pisa.html>
