Pizzo is one of the most beautiful towns in the Vibo Valentia province on the western coast of Calabria. The town is a well-known seaside resort with fishing center. This area is famous for its scenic rugged coast, long sandy beaches, pleasant climate and the best ice cream. Il tartufo was invented here in Pizzo to honor the visit of Prince Umberto I of Savoy in 1943. It boasts ancient historic center with original streets and buildings.

There are beaches nearby and Pizzo is both a busy 'local' town and a holiday destination. Distance to Lamezia Terme airport about 20 minutes' drive. Distance to the centre of Pizzo about 5 minutes' drive.
