Nestled between the island's largest lagoon and a beautiful mountain range, this prestigious estate is one of the most beautiful and luxurious on the island.

Surrounded by fragrant flora and lush green vegetation, these beautiful plots of land will allow you to build the villa of your dreams.

By becoming the owner of this plot of land, you benefit from the flexibility to create a home that fully corresponds to your expectations and inspirations (according to the specifications), with a control of construction costs through the selection of your consultants.

You can choose the developer's constructor or the one of your choice.

Only few plots of land available...
