Descripción:

The balcony suite is on the first floor and comfortably accommodates up to four guests. The newly fitted kitchen is separate, the high quality shower room is in marble and granite, both rooms have an outside window. The bedroom has a double bed and a white wardrobe offers plenty of storage space. The door leads to the balcony. The floor is covered in oak laminate, white-washed, just like the hallway and the living room. In the living room, a comfortable sofa and two rattan armchairs invite you to relax, another bed is in an alcove, so there is no need to convert a sofa bed for the night. A dining area, Wi-Fi and much more complete the attractive and tasteful furnishings. A feel-good oasis for high standards! Poppenbüttel is a popular district in the north of Hamburg. The romantic Alstertal is 5 minutes away. Sports activities such as boating, bicycle tours to the city centre, walking, nordic-walking etc are possible, but also shopping in the well-known Alster shopping centre (10min walk away). The connection to the public transport network is very good. The S-Bahn Poppenbüttel goes directly to the city centre (approx. 30min.) and to the airport.
