After your exciting exploration tours, you can relax in the newly renovated 100 m² flat with direct access to the cosy south-facing terrace and the large garden. It is equipped with comfortable garden furniture and a Weber gas barbecue. In summer, it is the perfect place to end the evening with a relaxed barbecue over a cool beer or a glass of wine. You are welcome to use the barbecue and the garden, in consultation with us. The flat has a large bedroom with direct dressing room or office, another bedroom and an open living room with kitchen and dining area. All rooms are flooded with light, brightly designed and equipped with high-quality striped oak parquet flooring and underfloor heating. The temperature can be regulated individually in each room.
