FRENAROS

Located inland from the tourist resorts of Ayia Napa and Protaras the village of Frenaros is a much sought after place to live for local people and immigrants. It still retains the traditional Cypriot village atmosphere with coffee shops and local tavernas. During recent years many new houses and luxury villas have been built around the outskirts whilst the village centre remains faithful to the Cypriot building style. Adding to the mixture of architecture the village has a few Byzantine churches which date back to the 12th century.

Frenaros is famous for Water Melons with the red soil perfect for growing the biggest juiciest specimens! A perfect place for residential living or a good base for a holiday, Frenaros is only 12 minutes from Ayia Napa, 5 minutes from Deryneia and just 40 minutes down the highway to Larnaca International Airport.
