Descripción:

Located on the foothills of the Maya Mountain at about 16 miles from Dangriga Town, this small subdivision is an expansion of a growing community called Steadfast. Surrounded by the majestic Maya Mountain range, it offers serenity with access to electricity, municipal water system, wi-fi and regular public transportation.

Government provides free transportation to schools ranging from pre to sixth form level. A health clinic in Pomona offers general services and there is a regional hospital in Dangriga. While there are several stores in the valley area, a short trip to Dangriga provides access to all Government services, more stores and other services that one may require from time to time.
