Building for Sale in Bucharest Old Town – Hotel Project with 61 Rooms

Total built area: 2,723 sqm  
Footprint area: 883 sqm  
Height regime: Basement + Ground Floor + 2 Floors + Attic

Number of rooms: 61  
Number of bathrooms: 70

## History and Unique Location

The property is strategically located in the heart of Bucharest, in a highly pedestrian and historically rich area.

## Architecture and Layout

The building, with its irregular shape and inner courtyard, remains largely unchanged since its completion at the end of the 19th century. It retains original elements – facades, woodwork, interior staircase – while

---

integrating modern restoration solutions.

## Key Features

- Heritage building with historical and architectural value
