Located in Sion Hill.

Positioned within a lush, tropical oasis adorned with mature mahogany trees, In the Woods is a retreat that perfectly blends modern elegance with natural beauty. Set on elevated grounds in the peaceful enclave of Sion Hill, this recently completed home offers distant sea views and a calming, zen-like ambiance throughout.

Designed with sophisticated simplicity, the home features a tasteful palette of neutral tones, wood plank tile flooring, crisp white walls, white wooden shutters, and expansive glass windows that flood the interiors with natural light and invite the outdoors in. At its heart lies a stunning central courtyard, where a landscaped pool and deck area create a sanctuary—ideal for sun-soaked relaxation or alfresco dining on the large covered terrace framed by majestic mahogany trees.

The open-plan ground floor boasts a contemporary kitchen with sleek finishes and an adjoining indoor dining space. A powder room and separate living/TV room provide comfort and functionality for everyday living and entertaining. Upstairs, the spacious primary suite is a private haven, complete with a walk-in closet, luxurious bathroom with double vanities, and a private terrace that captures the gentle beauty of the surrounding landscape and distant sea. Three additional guest bedrooms, each with its own ensuite bathroom, offer comfort and privacy for family or visitors. A flexible den provides additional living space, while a separate air-conditioned room—overlooking the pool—serves perfectly as a home office, yoga studio, or gym.

Additional features include a double car garage, ample guest parking, a thoughtfully designed laundry area with access to a drying yard, and secure electric gates enclosing the property. Towering trees and

lush tropical gardens wrap the home in a natural embrace, offering both privacy and tranquility. The property also has Town Planning approval for extensions to comfortably accommodate a cottage.

Conveniently located just under 10 minutes from Holetown and the pristine beaches of the West Coast, In the Woods* is the perfect balance of peaceful seclusion and easy access to amenities, dining, and entertainment.
