Descripción:

Someone once said "Location, location, location"! Was it perhaps in relation to this 3 bedroom property offering river frontage and being set in a peaceful no-through road location near Civray?

The bright and well maintained living accommodation is found above a large basement area. This enhances the appealing views across the well maintained gardens which lead down to the river Charente. The 3 bedrooms offer space for guests and the family with the master bedroom having its own private shower room with WC.

The house benefits from oil-fired central heating, as well as a fireplace in the living room, the septic tank was installed around 5 years ago and it is located in a quiet hamlet, only 2 km from all amenities.
