### Descripción:

Perched in a small village offering delightful views and between two of the most sought-after villages in the Charente of Nanteuil-en-Vallee and Verteuil-Sur-Charente this beautiful country home blends authentic character with modern comfort.

Original features have been carefully preserved, and the home is tastefully decorated with a warm, bright, welcoming feel. It offers three spacious bedrooms, including a master bedroom with an en-suite shower room. The kitchen and living room benefit from underfloor heating, perfect for cozy winters alongside the wood-burning stove. Recently installed electric radiators provide additional comfort throughout the house.
