In a small and picturesque village near Biograd na Moru, two luxury villas are situated, combining contemporary comfort, privacy and the Mediterranean way of life. These villas are a perfect choice for those seeking a peaceful retreat with a sea view, away from the crowds yet close to all essential amenities.

Spaciousness, comfort and elegance

Each villa has a living area of 207 square meters spread over two floors. Inside, there are three spacious bedrooms, three modern bathrooms, an airy living room with dining area, and a kitchen with access to the terrace. The total net calculated area of the villa is 263 square meters, and each is located on a plot of approximately 780 square meters.

Private pool and Mediterranean garden

Each villa includes a private swimming pool with sun deck, a landscaped garden with native plants and a shaded area for relaxation. Every villa has four terraces offering different views and ambiances, perfect for morning coffee, afternoon rest, and evening enjoyment. There is also a garage and additional parking space.

Open views and a location that ensures privacy

The villas are positioned at the very edge of the construction zone and are surrounded by greenery on three sides, ensuring long-term privacy and protection from future development. They are located on a

natural slope, with orientation that allows open views of the Pašman Channel, the islands of Vrgada and Murter, and the wider archipelago.

Inspiring interiors and the possibility of customization

Our interior designers have prepared detailed furnishing proposals to help future owners imagine and shape their new home more easily. Interiors can be fully adapted to individual taste and lifestyle.

Proximity to the sea and excellent connectivity

The sea is only 500 meters away in a straight line, and the promenade and village centre can be reached in less than a ten-minute walk. Nearby are numerous beaches, cycling and walking paths, as well as small bays and islets. Zadar Airport is 25 kilometres away, and the A1 motorway is less than 20 minutes' drive.
