The villa sits on a generous 400m2 plot and has a covered car port as well as a large garage and 2 driveways offering plenty of outside space for parking or maybe for putting in a pool.

From the covered terrace at the front of the house you enter into the entrance hall which then follows through to a bright spacious living room following into an absolutely beautiful fully equipped kitchen diner with back door leading to the tiled back garden where you have a shower/toilet room and wash

room next door.

The 3 double bedrooms are accessed from the main hallway as is the bright modern family shower room. There is electric central heating throughout and the wood floors follow through the house with a truly top quality finish.
