Zagreb, Harambašićeva Street

A newly renovated, comfortable two-room apartment of 44 m² is located in the basement of a house built in the 1930s.

It consists of a hallway, bathroom, separate toilet, kitchen, entrance hall, two rooms, a storage room, and has a dedicated parking space.

The building was recently renovated, with a new exterior façade and insulation, which ensures a pleasant temperature throughout the year – no air conditioning is needed in the summer, and in winter the apartment retains heat well, reducing energy consumption.

The location is extremely convenient, in close proximity to public transportation; the city center can be reached by tram in about ten minutes. Road connectivity is excellent, with easy access to all parts of the city.

Within a two-minute walk, there are shops, a pharmacy, dining and sports facilities, an elementary and high school, and several university faculties, while Maksimir Park is about a ten-minute walk away.

The apartment is ideal for one or two people, and is equipped with a dishwasher, washing machine, and refrigerator.

Orientation: East-West Windows: PVC
