Descripción:

Lots of potential to turn this lovely little village house into something fabulous. With three bedrooms, two of which are on the ground floor, large kitchen, living room and plenty of scope to turn the attic into further rooms as well, this lovely little house is a super project. There's a large garden opposite with beautiful trees and while just a stone's throw from Champagne Mouton and its commodities, the hamlet that this cottage is in, is calm, peaceful and beautifully kept. There's a new septic tank system required, new windows and doors and general refreshment all round but a great chance to acquire a pretty country home.
