Istria, Rovinj

In a prime location on a quiet cul-de-sac in Rovinj, within walking distance of the beach and the historic Old Town, three spacious apartments are situated in a modern building constructed in 2020. Each apartment functions as a separate, fully equipped residential unit, thoughtfully designed to include three bedrooms with en-suite bathrooms, a kitchen with dining area, a spacious living room, and access to a private terrace.

The building was constructed to the highest standards, and the interiors have been designed to allow for additional customization according to personal preferences – including the choice of tiles, flooring, lighting, and decorative elements. The apartments are exceptionally bright and functional, offering a high level of privacy.

The apartments share a common outdoor area with a 25 m² swimming pool, perfect for relaxing during the summer months, as well as multiple parking spaces. There is also a spacious basement that adds further usability – ideal as a storage area, wellness zone, or hobby room.

This property represents an outstanding opportunity for year-round living, a luxurious vacation home with rental potential, or a smart investment in one of the most sought-after areas of Rovinj.
