Descripción:

329.5 m2 lot in Region 12, perfect for those seeking a sustainable retreat.

With access to exclusive amenities (cenote pool, common areas) and a peaceful setting, this lot is ideal for building an eco-friendly home or vacation retreat.

Just minutes from beaches, ruins, and the vibrant life of Tulum.

Key Features:

Connection with nature: Wake up to the sound of the jungle, not the noise of the city.

Secure community: Controlled access and regulations that preserve visual harmony.

Smart investment: Tulum is synonymous with added value and a unique lifestyle.

Here you don't buy land, you adopt a lifestyle. Design your space in the heart of the Riviera Maya!
