### Descripción:

Set in the charming village of Benafim in the heart of Portugals Algarve region, this unique real estate development presents a rare opportunity to transform five historic ruins into modern, thoughtfully designed homes.

Each property will feature one or two bedrooms and a private walled patio, offering an ideal blend of comfort, style, and rustic authenticity.

Four of the houses sit side by side, allowing for the possibility of combining them into a single, larger residence, perfect for those seeking a bespoke layout.

This thoughtfully designed project blends modern living with the charm of a traditional village setting. The plans maximize space and light, creating comfortable and functional homes.

Whether intended as peaceful permanent homes, intimate holiday retreats, or boutique rental properties, these future residences promise contemporary elegance in a timeless village setting.
