Descripción:

Cascais without compromise the 2-bedroom that proves luxury doesn't need to be rented in pieces. You know that feeling when you walk into a home and think "this is what living should be"? That's exactly what you'll experience in this 166m² apartment at One Living. The difference is that this time you're not just visiting you're deciding whether to call it yours.

The mathematics of the extraordinary

Two generous bedrooms where natural light enters like a welcomed guest. The master suite comes with a walk-in closet that will make your friends question their own life choices. And the two terraces?

Strategically oriented to capture the best of every moment morning sun with coffee, sunset with whatever you prefer to drink.

Cascais elevated to a new dimension

This isn't just "another apartment in Cascais." One Living offers you over 10,000m² of gardens, private pool, and gym.

The contemporary kitchen isn't just for impressing guests (though it will). The integrated laundry room solves that eternal Portuguese dilemma of "where to put the washing machine."

Reality without filters

6,500 in one of the country's most desirable areas. It's not cheap but it's the gateway to a life of refinement and luxury. With direct access to transport, bike paths, schools, and everything that defines a prime location.

This isn't an opportunity that waits for slow decisions. Cascais is appreciating, One Living is unique, and homes like this don't appear every day.

Come see it before the obvious becomes impossible.

We're waiting for you. - REF: GG202562
