Descripción:

How couldn't you love the Lawrie Garden Room? It's a welcoming detached five bedroom family home offering 1,830 square feet of living space and an integral garage.

The downstairs features a light and spacious open plan Symphony designer kitchen and dining area, complete with AEG & Zanussi integrated appliances including a fridge/freezer, oven, induction hob and dishwasher.

The kitchen leads into the stunning, versatile garden room with striking cathedral style windows and access to the rear garden through French doors – the perfect place to relax and unwind. Downstairs also comprises a separate living room with statement window, allowing the space to be flooded with light, a WC with luxurious tiling and a spacious utility room - with access directly from the kitchen, the garage and outside.

On the first floor, there are four double bedrooms and one single. The primary and second bedroom both offer private en-suite facilities, so moving in and making it feel like home is easy! This floor also features a family sized bathroom with ample storage.
