#### Descripción:

Đakovo, two houses situated on a single 550 m<sup>2</sup> parcel, ideal for a larger family or a combination of living and rental use. The properties are functional, with available infrastructure and additional utility buildings. The first, older house consists of one bedroom, a kitchen with dining area, a living room, and a storage room. The second, newer house is spread over three levels: basement, ground floor, and attic. The basement features two large rooms suitable for storage or hobby use. The ground floor includes a kitchen with dining area, bathroom, living room, and two bedrooms. The attic is currently one spacious open area offering great potential for additional rooms but requires finishing. The parcel also includes a garage and an outdoor toilet. The houses are connected to electricity, water, and sewage systems, while gas lines run in front of the property. The location is practical and well-connected, with shops, cafes, a bakery, and a children's playground nearby. Further information available upon request....
