Description

This 300 m2 lot located just a 1 minute walk from the 6km stretch of golden sand known as Matanchen Beach is ready to be the site of some lucky person's dream home. The property is located just across the main highway that runs parallel to the beach and there is a public beach access point just 50 meters from the property. Ocean views and ocean breezes to be had from a second story build. This property is located just 10 minutes from the small towns of San Blas and Aticama where all the basics can be found and a short 35 drive to the larger city of Tepic where larger stores such as Sam's Club can be found. This is an up and coming area and a great opportunity for anyone looking to live close to the beach but who would prefer not to be located right on the beach.
