Descripción:

In the countryside about 3 minutes from Beauvoir and Mont-St-Michel: This beautiful stone property, renovated in 2021-2022, will be ideal for a gite or equestrian project. Currently for sale with 2,700m2 of land, you will have the possibility of acquiring an additional 17,650m2 of adjoining land.

The 147m2 house offers:

- Ground floor: an entrance hall, fitted and equipped kitchen of 30m2, a living room/lounge of 40m2 as well as a bedroom, a bathroom and a dressing room on the master wing.
- Upstairs: a mezzanine leads to 2 beautiful bedrooms.
- Above: Possibility of converting an attic area (already existing opening) of approximately 55m2 to create additional bedrooms.

Attached to the house, with a separate entrance, you will find a 30m2 plot to be converted according to your plans (all electrical, water and hot water connections are pending).

A 70m2 barn, a carport, an old bread oven and a small stone house could also represent great

development potential.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
