Descripción:

Horus Residence is an exclusive development located in Portimão, in one of the most privileged areas of the city, just a few metres from the beach and with quick access to shops, schools and health services. A place that combines tranquillity, leisure and urban convenience.

This gated community consists of three buildings with contemporary architecture, offering spacious two- and three-bedroom apartments with modern design, excellent layout and high-quality finishes.

The project was designed to provide a unique living experience, bringing together a variety of amenities:

Swimming pool, fully equipped gym and children's playground;

Green areas ideal for family leisure;

Garages in boxes, prepared for electric mobility;

Balconies with electric barbecue;

Lifts with capacity for 8 people;

Enhanced security with 24-hour video surveillance, high-security doors and access control.

Inside, the apartments are distinguished by their sophistication: kitchens equipped with Miele appliances, floating wood and high-quality ceramic finishes, underfloor central heating, Bosch air conditioning, and electric blinds with thermal insulation.

With an A++ energy rating, Horus Residence combines innovation, comfort and elegance, making it the ideal choice for both permanent living and property investment in the Algarve.
