Descripción:

This 10 are or 1000 sqm land is located in the highly desirable area of Kerobokan, offering an exceptional opportunity for those who seek both tranquility and accessibility. Nestled in a peaceful environment, the land provides a calm atmosphere away from the noise, yet remains only a short drive from the bustling heart of Canggu, where you can find cafés, restaurants, shops, and beaches. Its location strikes the perfect balance for residential or commercial development.

With its generous size, this land is highly versatile and ideal for various investment purposes. Whether you are planning to build a private villa, a modern residence, or even a property complex for rental purposes, it offers the right foundation for long-term growth. The surrounding neighborhood has been experiencing steady development, further enhancing its value as a reliable investment. One of the key advantages of this plot is the possibility of extension, giving future owners flexibility in expanding their plans.

This option provides more creative freedom for investors, ensuring the land can adapt to different property visions, from boutique accommodations to spacious living spaces. Kerobokan has become one of Bali's most promising property hotspots, attracting both locals and expatriates who appreciate its strategic location and comfortable lifestyle. Securing this land not only means owning a valuable asset in a prime area but also ensuring sustainable returns in Bali's ever-growing property market.
