This residence, designed to optimize rental profitability, will appeal to investors looking for a turnkey property in one of the country's most sought-after destinations. Built on a 456 sqm plot, it comprises six independent apartments featuring two bedrooms, a bright living room, a functional kitchen, and a bathroom. Its strategic location, just a ten-minute walk from the beach, shops, and restaurants, makes it a prime address for tourist rentals. The residence is sold with a tourist permit valid until 2028 (next expiry date: 2026) and an operating license also valid until 2028, guaranteeing a fully regulated business. For added security, the property is equipped with a Brinks alarm system and can accommodate a video surveillance system that complies with MTPA standards. Home insurance is also in place, offering complete peace of mind. With its strong rental potential, sought-after location, and privileged seaside setting, this property represents a rare opportunity to capitalize on the dynamic tourism industry in Flic-en-Flac.
