Descripción:

Former Grand Hotel of Vidago undergoing reconstruction.

The Grand Hotel of Vidago was Vidago's first hotel, opening in 1874. With over 50 rooms and 40 employees, it was one of the largest hotels of its time.

Today, the building of the Grande Hotel de Vidago maintains the grandeur and charm of other times, awaiting a new vision that gives it back to the original splendor.

Its solid structure, the natural frame and the proximity to Vidago Palace, the spas and the golf course make this property a rare gem for rehabilitation and investment.

With the increasing appreciation of wellness tourism, charm hospitality and historical heritage, the Grande Hotel de Vidago represents a unique opportunity to create a new icon – whether it's a boutique hotel, a luxury retreat, a premium senior residence or a reference cultural and tourist space.
