The versatile basement level presents endless possibilities, currently configured as a fourth bedroom with ensuite bathroom. This adaptable space could easily transform into a games room, private cinema, home gym, or executive office, complete with natural light and ventilation.

The outdoor spaces are equally impressive, featuring complete privacy with mature hedging and immaculate lawns. The rear terrace provides additional entertaining space, currently home to a foosball and tennis table.

Modern conveniences abound throughout this remarkable property. Air conditioning ensures year-round comfort, whilst a charming log-burning fireplace adds cosy ambiance. Solar water heating demonstrates environmental consciousness, and an electric car charging point caters to modern transport needs.
