Descripción:

This charming townhouse is arranged over three floors and offers versatile living space throughout.

On the lower ground level, the basement has been thoughtfully converted to include a bright third bedroom with natural light, a spacious family bathroom, and a flexible rear room that could serve as a games room, additional lounge, or even a fourth bedroom. This level also benefits from internal access to the garage.

The first floor features a generous open-plan living and dining area. To the rear, a covered terrace has been enclosed with glass, creating a perfect reading nook, home office, or relaxing sunroom. The modern, fully equipped kitchen is designed for convenience, and both the kitchen and living area open directly onto the south-facing garden.

Outside, the garden is spacious yet low-maintenance and boasts a heated swimming pool being updated with new pool liner, coving and heat pump.

On the top floor, you will find two well-proportioned bedrooms. The master suite includes an en-suite bathroom and access to a private terrace with wonderful ocean views, while a second family bathroom serves the additional bedroom. Plus an additional terrace from the landing.

Beautifully maintained and tastefully updated by the current owners, this property is just a short stroll from the heart of Burgau. Whether as a holiday retreat or a permanent residence, it offers comfort, style, and an enviable coastal location. - REF: V1259
