We present this practically new office, designed with an industrial modern style that combines functionality and aesthetics. Distributed in a spacious hallway, it has four completely independent offices, all with windows to the outside that provide excellent natural light.

Three of the offices have a useful area of 40 m², while the fourth has 30 m², offering multiple possibilities of use according to the needs of your company. All rooms are equipped with an FTP network and hot cold air conditioning system, which guarantees comfort throughout the year and considerable energy savings.

The office has two toilets and an independent access through a private portal, which provides privacy and comfort. Its location is unbeatable: just 2 minutes walk from the Peñota metro station and 5 minutes from a private car park.
