Location and Surroundings

The apartment is part of a new residential project on Mitat Hoxha Street only 100 meters from the Ionian Sea and within a short walk from Saranda's port. The Kodër neighborhood has grown steadily in recent years with new buildings, improved roads and all daily services close by.

Compared to the promenade which gets very busy in peak season, this area is calmer and more residential. It attracts families and long-term visitors who value peace and accessibility. Supermarkets, cafés and everyday shops are within a few minutes' walk, so you won't need a car for daily needs.
