The building includes six residential floors and one ground floor, where 37 apartments, 10 parking spaces and 6 garages are located. The apartments are distinguished by thoughtful layouts, large windows and modern engineering solutions that ensure comfort and energy efficiency.

The complex was built without a maintenance fee — a practical solution for owners who value freedom and convenience. Just a few minutes from the house there is a beach, shops, pharmacies, cafes and the famous balneocenters of Pomerania.

The Pomorie Building is a harmony of modern design and seaside tranquility. Here you can enjoy the sea air, nature and the atmosphere of comfort all year round.
