Charming Renovated Canarian Homes with Sea and Countryside Views – San Miguel Offered for sale are two beautifully renovated, adjoining Canarian houses located on the outskirts of San Miguel, boasting stunning views of both the sea and surrounding countryside. This deceptively spacious property, comprising 14 rooms, is a labyrinth of traditional Canarian architecture, featuring timber vaulted ceilings, exposed canto stone walls, and unique details such as a high covered atrium with a mosaic-tiled floor. The main house offers three bedrooms, one bathroom, a large lounge with sea views, a dining room, a fully equipped kitchen, and a storeroom. A charming patio with a bougainvillea-covered pergola connects to the second house, perfect as guest accommodation, a granny flat, a rural bed & breakfast, or long-term rental. This second house benefits from its own separate entrance and parking and includes two bedrooms, a shower room, a fully equipped kitchen, and a cosy lounge/dining area. In total, the property comprises five bedrooms, two bathrooms, two lounges, two kitchens, and a storeroom, with 194m² built on a 303m² plot. Outdoor spaces include a large roof terrace on the main house, while the second house enjoys a private garden over three levels, complete with a BBQ area and hot tub.
