Thoughtfully designed to embrace a relaxed, modern lifestyle, this single-level home offers a harmonious blend of open-plan living, stylish comfort, and outdoor enjoyment.

From the moment you enter, the villa invites you into a bright and airy layout where the kitchen, living, dining, and outdoor spaces flow effortlessly together. A sleek contemporary kitchen with a central island and high-end finishes opens into the living area which is larger than the standard 3 bedrooms and extends out to a generous covered terrace—ideal for entertaining or unwinding by the private pool. Retractable awnings and lush landscaping enhance the sense of space and privacy, while subtle interior design details—such as soft tones, natural textures, and curated décor—add a warm, coastal feel throughout.

Each of the three bedrooms is generously sized, with the primary suite offering direct poolside access, a walk-in closet, and a well-appointed ensuite bathroom.

Completed in 2022, Porters Place is a low-density, eco-conscious development focused on wellness and sustainability. Residents enjoy access to a fully equipped gym, a meeting room, and an organic garden. The community is ideally located within walking distance to the beach and just minutes from Holetown's restaurants, shopping, and essential services.

Whether you're searching for a full-time residence, vacation getaway, or strong rental investment, Porters Place 2 offers timeless design, convenience, and lasting value.
