Descripción:

LIVING IN TUSCANY - we are pleased to present a unique opportunity to acquire a typical Tuscan farmhouse, ready to live in, with a large swimming pool and a panoramic view in the greenery of Garfagnana, about 45 km from Lucca.

Enchanting place and tidy and well-kept context, highly appreciated for over 20 years on the tourist rental market. This is a split sale of an agritourism complex.

ESSENTIAL CONDITION: sale of the entire complex consisting of 2 farmhouses, each with its own swimming pool. So don't miss this opportunity, ask for more information and book your farmhouse now or involve a friend or investor to purchase the entire property!

CAMPORGIANO (Lucca area) - In the heart of Garfagnana in a splendid area, surrounded by green hills, we offer for sale a beautiful farmhouse of approx. 180 square meters completely renovated in typical Tuscan style and equipped with a large infinity pool plus large arable and wooded land.

CAPRIFOGLIO HOUSE - Farmhouse nicknamed "Caprifoglio" is on 3 levels and consists of:

The property includes a surrounding land of about 1 hectare, partly garden and partly orchard with over 40 fruit trees (pear, apple, plum and cherry trees).

A careful arrangement of the green spaces make this place immersed in the countryside an oasis for a few.

The rustic house has a good layout and perfect liveability both externally and internally thanks to the numerous exits onto the stone-paved courtyard.

The property is very private and exposed to the east. The sale includes the furnishings.
