We have recently taken on a lot of new agents in France who are adding hundreds of new listings every week, there is a delay in translating these listings into English but we are making good progress.

If you want any particular property listing translated or simply want more information then just use the 'Make an Enquiry' button or contact us via the property listing and we will prioritise the translation for you.

Apologies for the triangle overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of the Bouches-du-Rhone is in the region of Provence Alpes / Cotes d'Azur in the South East of France and is an interesting and varied region for visitors to Provence, from the bustling centre of Marseille to the peaceful hillside villages, there is an abundance of beautiful coastal scenery and fascinating towns such as Arles and Aix-en-Provence to explore.

The Bouches-du-Rhone is situated in the south-west corner of the Provence Alpes / Cotes d'Azur region, on the Mediterranean coast and with the Languedoc-Roussillon region to the west. Marseille is the principal / capital city of the department.

Due to its diversity, the towns and roman monuments, the impressive scenic highlights, and its typically 'Provençal' character a visit to Bouches-du-Rhone has something of interest for both the first time visitors as well as seasoned property hunters looking for their dream home.
