Descripción:

Seaview Plot with Building Permit for sale in Koumpeli.

An exceptional opportunity in one of Chania's most sought-after and rapidly developing areas — this 437 sq.m. plot is located in Koumpeli, on Diogenous Street, in the highest point of the area, offering completely unobstructed sea views thanks to its unique elevated position and northwest orientation that captures the stunning Cretan sunsets.

The property features a building coverage ratio of 50% and a building capacity of 240 sq.m., making it ideal for the construction of a luxury residence or a high-end investment property. A valid building permit is already in place, supported by a ready architectural study of exceptional design and aesthetics, created to fully utilize the natural light, elevation, and panoramic views of the sea and surrounding landscape.

With all permits and architectural plans completed, the buyer can immediately proceed with construction — without any delays or bureaucratic steps. The existing design envisions a modern 240 sq.m. villa featuring elegant lines, open interiors, large glass openings, and a harmonious connection between indoor and outdoor spaces.
