Descripción:

Nestled in the peaceful area of Jimbaran, this modern 3-bedroom villa offers a perfect blend of comfort, functionality, and contemporary design. Built in 2025, the property spans a generous total area of 528 sqm, including a 240 sqm living space thoughtfully designed for both relaxation and entertainment. The open-plan living room connects seamlessly with a modern kitchen and dining area, creating a bright and airy atmosphere that captures natural light throughout the day. The villa is fully furnished and ready for immediate move-in, providing a complete solution for homeowners or investors seeking a property in one of Bali's most desirable residential areas. Each bedroom is designed for privacy and comfort.

The master bedroom, measuring 42 sqm, offers a spacious retreat with a sophisticated layout. Two additional bedrooms on the upper floor (20 sqm and 27 sqm respectively) provide flexibility for family members or guests. A guest room on the first floor and a maid's room in the basement ensure convenience and functionality for hosting and daily operations. The 60 sqm pool area forms the heart of the villa's outdoor living, complemented by a 96 sqm rooftop—ideal for evening gatherings, sunset views, or future additions like a lounge or BBQ space.

Practical features include a private garage, a 70-meter-deep water well, and all essential legal documents (SLO and SLF) in place, ensuring a secure and compliant investment. The property is offered under a long-term leasehold, making it an appealing choice for both long-term residents and investors. Located just a short drive from Jimbaran's beaches, international schools, and restaurants, the villa provides easy

access to the best of Bali's southern coast while maintaining a sense of privacy and tranquility. This property represents a rare opportunity to own a well-designed, fully equipped villa that balances lifestyle and investment potential in Bali's growing real estate market.
