Rare opportunity in the heart of Central Portugal

Ideal for investors, tourism entrepreneurs, or families seeking space, profitability, and quality of life.

We present this multifunctional building, already licensed as Local Accommodation (AL), located in a peaceful area between Espariz and Sinde, in the municipality of Tábua — just minutes from the stunning Serra da Estrela and near a major industrial unit employing around 3,000 people. This makes it strategically ideal for tourism, residential, or commercial use.

Comprising four floors and three independent units, the property is suitable for a wide range of projects: hospitality, multi-family housing, commercial use, or mixed investment with immediate return potential.
